Tracking Student Outcomes Using the Voluntary Framework of Accountability

The Voluntary Framework of Accountability (VFA) started in 2009 as an initiative sponsored by AACC, ACCT, and the College Board. The VFA was conceived to portray more appropriately the outcomes of community college students through the use of relevant, informative metrics that would provide meaningful benchmarks for peer institution comparisons. Guided by a steering committee comprised of college presidents, accountability leaders, workforce development professionals, trustees, and institutional researchers, the VFA metrics were developed through a series of working groups and then pilot tested by over 50 community colleges. The data collection web interface and analytics tool were beta-tested during spring and summer of 2013 prior to the official VFA launch in fall 2013. Although the development of the VFA was supported through grant funding, colleges pay a membership fee to join the VFA. There are 125 colleges participating in the 2013-14 reporting cycle.

The VFA consists of three student domains: Progress and Outcomes, Career and Technical Education (CTE), and Adult Basic Education (ABE). While the framework recognized that colleges might not be able to participate fully in each domain, those contributing to the Progress and Outcomes domain were expected to submit data for all variables. BC data were submitted only for the Progress and Outcomes domain, which seemed to be the case for many of the other participating colleges. (At the close of this reporting cycle, the VFA staff are conducting an analysis of the constraints experienced by colleges who were unable to report CTE and ABE data.)

The Progress and Outcomes domain contains two cohorts of students new to the college—a six-year and a two-year—and then measures the progress and outcomes of those students. While the primary cohort—known as the main cohort—disregards any prior postsecondary education acquired elsewhere by the students, two sub-cohorts—credential-seeking and first-time-in-college—are derived from the main cohort. All cohorts are disaggregated by gender, race/ethnicity, Pell status, first-term full-time/part-time status, and college-ready status. Students are tracked through multiple measures, including developmental math and English, to completion.

Each year, new cohorts will be added to the database providing the college with trends and benchmarks for monitoring student progress to goal attainment. The BC data sets are being used locally to describe characteristics of successful students that would inform program development for students in need. Colleges participating in the VFA understand that their outcomes data will be published to a public dashboard; the benchmarking data will be accessible only by BC personnel.

Dashboard Preview
Although the following displays are fairly limited in the amount of information provided, a key value is the extent to which they raise questions that could be addressed through analysis of the data locally.
Developmental Math
The image on the right shows the percentages of student outcomes at various stages in developmental math—attempted, completed highest developmental class, completed college math. The pie chart on the far right shows that 15.78% of all students in the Two-year Main cohort (fall 2011, n=3,346) enrolled in developmental math the first term at BC. The bar graph on the left shows the percentages of all students in the cohort who enrolled in developmental math, completed the highest level of developmental math (red bar) or any college-level math (gold bar). NOTE: For this round of reporting, the methodology for determining students in need of developmental education was by course-taking behavior not placement. The blue column suggests that all students in the cohort attempted developmental education, when in fact, the 100% represents only those who were enrolled in a developmental-level course their first term (n=528).

Six-year Outcomes
This measures depicts the status of every student in the six-year cohort (fall 2007) at the end of six years.

Accessing the BC data on the VFA Benchmarking dashboard is available to anyone with an AACC account. Staff in the Office of Effectiveness and Strategic Planning are available to assist personnel in establishing an account.

INSTRUCTION

INFORMATION LITERACY AND LIBRARY MEDIA RESOURCES FOR BACCALAUREATE PROGRAMS

Key Points
As Bellevue College’s baccalaureate programs increase in number and begin to mature, the Office of Instruction is working to address issues of sustainability and support for BAS degrees and students that go beyond degree development and instruction. One such area of effort is providing appropriate and focused librarian time and library resources to meet the unique information and research needs of the various programs.

• In previous academic years, baccalaureate programs were supported by part-time librarians on a project basis. For the first time this year, a full-time, temporary, faculty Baccalaureate Librarian was added. Working together with content experts (program managers, directors, and instructors), the Baccalaureate Librarian identifies, acquires, and makes available resources for specific areas of study.

• The Baccalaureate Librarian builds collaborative partnerships with faculty in designing assignments and projects that integrate use of Library Media Center (LMC) resources in the courses. Helping students acquire the skills necessary to navigate the vast resources of information in their fields contributes to student success for degree completion and beyond.

• The Baccalaureate Librarian works individually with students in their capstone projects, offering support in finding reliable information and preparing academically acceptable documentation.

• BAS programs include non-traditional courses, including some delivered online and requiring highly specialized resources. Taking advantage of the resources from the LMC, instructional objects such as tutorials and tools called “LibGuides” have been created and are showing tremendous success, with over 2,500 pageviews for the Winter and Spring Quarters.

• The Baccalaureate Librarian utilizes web conferencing programs to meet with faculty and students virtually, allowing them to collaborate without coming to campus, thereby freeing their schedules for work or other obligations.

Next Steps
• The role of the Baccalaureate Librarian will be reviewed for continuation in relation to the workload of tenured librarians and the college’s comprehensive information literacy efforts.

• The LMC will pursue cooperative partnerships with industry and other institutions to increase access to the resources needed for our various BAS programs.

ROLE OF NAVIGATOR IN WORKFORCE DEVELOPMENT

Key Points

Employment of college and career navigators is a growing practice in community colleges and workforce development programs nationwide. Navigators work directly with students and serve a number of purposes including:

- Comprehensive career guidance, including career exploration & planning and academic advising
- Individual career and academic plan development
- Navigation through college enrollment and financial aid processes
- Academic and life skills development
- Career success skills: workforce one-stop services - employability workshops
- Wrap-around services and linkage to community resources to address needs such as childcare, finances, and transportation
- Connection to employers to provide internships and work-based learning opportunities for students

Through targeted grant and workforce funding, Bellevue College employs college and career navigators for students enrolled in a number of programs including: Worker Retraining, WorkFirst, and Veterans’ services. The use of navigators has increased in the past several years with Department of Labor funded projects in information technology and health information technology. BC’s use of navigators continues to be successful and results in student retention rates of 70-85% for programs.

Next Steps

- Continue to review national models for the use of navigators
- Include navigators in future federal and state funded grant projects
- Work with other BC programs that use navigators or similar positions such as the Autism Spectrum program and TRiO to identify successful retention strategies.
- Consider expansion of the use of navigators in other areas of the college including student services and instructional divisions.
- Continue to search for funding to support employment of college navigators

EQUITY AND PLURALISM

RECRUITMENT INITIATIVE: - HIGHER EDUCATION RECRUITMENT CONSORTIUM (HERC)

GREATER WASHINGTON STATE HERC

In 2012 representatives from Human Resources, the Office of Equity and Pluralism, and the Office of Instruction attended a meeting held at the University of Washington about establishing a HERC in Washington State. HERC is a national employment database comprised of over 600 colleges, universities, government agencies, and related non-and for profit organizations seeking qualified and diverse employees from underrepresented populations. HERC allows job seekers access to over 124,000 employment opportunities, and provides assistance to “trailing” spouses/partners of job seekers. Also, HERCs help build stronger partnerships with other organizational members by holding quarterly professional development and networking opportunities for regional participants.

Bellevue College is a founding institutional member of Greater Washington State HERC (GWS HERC). Launched in October 2013, GWS HERC expands Bellevue College’s recruitment efforts regionally and nationally. In less than nine months GWS HERC has over one thousand job opportunities posted. HERC also serves as a compliance tool by providing targeted outreach to over one hundred regional organizations that provide services to veterans and individuals with disabilities.

HERC is one of many efforts the Office of Equity and Pluralism is engaged with to support Dr. Rule’s goal to increase faculty diversity to more closely mirror our student population, and to address systemic barriers that impact the recruitment of faculty and staff from historically excluded and underrepresented populations.

The Bellevue College (BC) Foundation is offering more than $210,000 in scholarships which will help students in the upcoming 2014-2015 school year. Foundation scholarships can be used by students to cover the expense of tuition, fees, and books. The Foundation will be awarding nearly 50 need-based, merit-based, and hybrid scholarships. These scholarship monies come from donations to outright annual scholarships and earnings from endowed scholarships. Donations have been made by hundreds of individuals, organizations, and corporations. In addition to outright annual scholarship donations, new contributions have also been secured for some previously established endowed scholarships this year. One example is the Shirley Farnham Nursing Scholarship. Shirley Farnham passed away this last fall; her family requested that friends and family make gifts to her named scholarship in lieu of flowers. The Foundation looks to continue to grow the number of endowed scholarships while also securing additional annual scholarships that can address current and emerging needs, such as the Dream Scholarship for Undocumented Students and the Debbie Killinger Scholarship for First Generation Students.

This year, the scholarship awarding process and timing has been altered and streamlined in order to notify students of awards by July 15th, 2014, which is before fall tuition payments are due.

Following the closing of applications in April, staff reviewed all applications for completeness (completeness is necessary to provide readers enough evidence to complete the review process). Staff also calculated the scores for the quantitative evaluation of the application, including Unmet Financial Need and the students’ GPAs. (The Unmet Financial Need figure is derived from a formula from students’ FAFSA forms: Financial Need minus Financial Aid equals Unmet Financial Need.)

The complete application files advanced to the next step, Scholarship Read Day, which was held on campus on May 22nd. Twenty-three individuals including trustees, foundation board members, donors, faculty and emeriti volunteered their time to review and assess applications for Foundation scholarships. The Read Day process with reviewers reading and scoring an entire sample file. The readers were polled about their scoring and responses. The purpose of this polling is to normalize scores ensuring consistency among readers when applying the scoring rubric. Each applicant’s file was reviewed and scored by four different readers.

The Foundation’s Scholarship committee, led by Scholarship Committee Chair Laura Celis will meet later this month to finalize award decisions based on overall scoring.

INFORMATION RESOURCES

Key Points

• Migration to Office 365 underway, this will move email and some storage services to the cloud.
• Managed Print Services (MPS) will be implemented beginning in July.
• The Data Mesh project is beginning its pilot phase with implementation to commence in the summer.

Next Steps

• A pilot of 100 employees will have their mailbox and personal storage space migrated to Microsoft’s Office 365 cloud services. This will be complete by the end of July and a plan to move all remaining employees and students will be implemented with a goal of completion by late November.
• The Managed Print Services project will contract with HP to manage all desktop and workgroup printing on campus. This service will provide a potential 40% reduction in printing costs while providing better service to campus.
• The Data Mesh project, described at the winter study session, is entering the pilot phase for data collection. Over the summer the plan is to gather the requirements and provide templates for implementation to as many units as possible before the start of fall. Additionally, the design discussions are beginning for data analytics and data warehousing from a technical point of view.

Description

The purpose of this review is to analyze revenue and expenditure patterns against expectations, to identify emerging trends and their impact on financial performance.

Analysis

While spending is with the budget plan for state allocations, revenues and expenses in some areas show a variance between revenues and spending from the previous year. These are largely explained by differences in the timing of transactions and transfers. Also, the restoration of the 3% salary decrease creates a common escalation of costs across departments. Other variations are detailed below.

Operating Funds

Local Operating revenue is slightly down from last year-to-date partially due to lower state FTE allocation for FY1314 versus FY1213 and timing of transfers to excess revenues.

Dedicated Local revenue reflects a transfer for IT Server Purchase, increased funding for international programs, and new Bachelor's program revenues.

Dedicated local expenses are higher mainly due to higher transfers from excess enrollment budget to fund part-time faculty YTD versus last year, new grant and bachelor's program expenses, purchase of new servers and warehouse shelving, and transfers of expenses for network IT staff.

Grants and Contracts expenses are up vs. last year due to larger transfers YTD from international and Running Start programs to fund operating expenses as well as new DOL grant expenses.

**Proprietary Funds**

For proprietary funds, the computer service fund shows reclassification of funding for servers from the computer service fund to dedicated local fund.

The Bookstore reflects a lower sales level partially due to a temporary location during the Bookstore remodel as well as higher salary expenses due to the 3% salary restoration and expenses associated with closing the 21st Century Bookstore grant.

Parking revenues are lower due to a budgeted transfer to fund a Campus Master Plan, lower parking permit revenues. Note larger transfers to fund student metro passes in 1314 than in 1213 supported higher parking permit expenses.

**Food Services** shows lower revenues due to outsourcing catering for campus events, closure of L Building coffee shop for temporary Bookstore and Testing Center location, and higher salary expenses due to 3% salary restoration.

Human Resources is dedicated to making Bellevue College the workplace of choice by creating and fostering an environment which allows the college to attract, hire, and retain the best people. The goal is to be a valued resource and a partner in reaching the college’s goals by providing leadership, training, expertise and services.

Key Points
• Human Resources Professional Development:
  The Human Resources staff has taken a number of opportunities to participate in professional development opportunities over the past several months. Each experience allows a member of the HR team exposure to updates to current and introduction to emerging trends in Higher Education, and Human Resource implementation. The training events include the following:
  ▪ Attendance at the CTC HRMC (Human Resources Management Committee) where an investigator used for the state and many CTC members provided training on how to conduct efficient investigations and writing clear concise reports that will withstand challenges during an arbitration hearing.
  ▪ Attendance at CUPA/HR –Western Region Conference. CUPA/HR is the College and University Professional Association which has a sole focus on how changes in state and federal legislation as well as the implementation of new/creative HR practices impact HR operations within a higher education environment. CUPA/HR allows Higher Education HR professionals to get together to discuss the many unique challenges of the on campus practice of HR.
  ▪ Mediation Training where two members of the Bellevue College HR team attended a conference that focused on using mediation to resolve complaints between employees or between an employer and a supervisor.
  ▪ Collective Bargaining and Arbitration Conference which gave a refresher on the rules for collective bargaining and also how to best prepare for going into arbitration.
  ▪ Leading from the Middle where seasoned leadership staff of the CTC’s introduced employees new to management or new to the CTC system to some of the many intricacies of the State Board and policies that guide the State Board.

Next Steps
To follow up on this training, the HR staff will share what they have learned with the other members of the HR team and then incorporate that learning into the work here at Bellevue College.

ACCREDITATION

☒ INFORMATION ☐ FIRST READ ☐ ACTION

Description
Bellevue College is accredited by the Northwest Commission on Colleges and Universities (NWCCU). In 2009, NWCCU replaced the decennial self-study process with a septennial multi-report process with reports due in Year 1, Year 3, Year 5 (rescinded in 2012), and Year 7. Recently, NWCCU replaced the Year 3 report with a Mid Cycle Evaluation (MCE). NWCCU has requested Accreditation Liaison Officers (ALOs) at colleges subject to the MCE to participate in a webinar on June 17, 2014, to hear the commission’s goals and expectations for the MCE and to discuss the report and the visit.

Key Questions
* Does this report adequately address the information needs of the Board at this time?

Analysis
The Mid Cycle Evaluation consists of two primary components: Part I, a narrative describing how the institution plans to link/align mission with mission fulfillment and sustainability and Part II, representative examples of how the institution has operationalized its mission and core themes from objectives to indicators to outcomes using (a) one core theme and (b) one academic program with student learning assessment data that are used as evidence to assess mission progress.

For this report, Student Success was selected for the core theme and psychology for the academic program.

Tracy Biga MacLean, Robin Jeffers, and Patty James (ALO) are scheduled to attend the June 17 webinar.

REVISIONS TO STUDENT CODE OF CONDUCT AND STUDENT CODE OF CONDUCT PROCEDURES

[ ] INFORMATION  [X] FIRST READ  [ ] ACTION

Description
The Violence Against Women Act (VAWA) Reauthorization signed by President Obama in 2013 imposes new obligations on colleges under the Campus Sexual Violence Elimination Act (SaVE Act) – effective March 7, 2014. The BC Student Code of Conduct and Procedures need to be updated to meet these new requirements. Additionally, there is a statewide effort among the Community and Technical Colleges to make conduct codes more alike between colleges and less confusing for students.

Key Questions
* Will the new code ensure that the college meets its obligations under VAWA and SaVE?
* Does the new code adequately explain violations, due process, sanctions and appeal rights?

Analysis
The current Student Code of Conduct and Procedures, although updated fairly recently, are not compliant with the requirements of the VAWA Reauthorization. Under VAWA, the college is required to: report domestic violence, dating violence, and stalking, beyond crime categories the Clery Act already mandates; adopt certain student discipline procedures, such as notification of purported victims of their rights; and adoption of institutional policies to address and prevent campus sexual violence, such as training pertinent institutional personnel. Furthermore, VAWA prescribes standards for investigation and conduct of student discipline proceedings in domestic violence, dating violence, sexual assault, and stalking cases.

Specifically, this version:
1. Updates the student conduct code to reflect recent changes in the law regarding personal use of marijuana, bullying, and sexual violence and to bring the code into compliance with requirements imposed by the Violence Against Women Act (VAWA).
2. Updates and clarifies disciplinary sanctions and terms and conditions that the college can impose against students who are found to have violated the student conduct code.
3. Updates the student conduct procedures and bring them into compliance with VAWA.
4. Expands the jurisdiction of the student conduct code to include off campus conduct.

Administration of the disciplinary procedures is the responsibility of the vice-president of student services and/or designated student conduct officer. Statement of Student Rights

As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in an independent search for truth. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility. The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the college community.

The following enumerated rights are guaranteed to each student within the limitations of statutory law and college policy which are deemed necessary to achieve the educational goals of the college:

(1) Academic freedom.
   (a) Students are guaranteed the rights of free inquiry, expression, and assembly upon and within college facilities that are generally open and available to the public.
   (b) Students are free to pursue appropriate educational objectives from among the college’s curricula, programs, and services, subject to the limitations of RCW 28B.50.090 (3)(b).
   (c) Students shall be protected from academic evaluation which is arbitrary, prejudiced, or capricious, but are responsible for meeting the standards of academic performance established by each of their instructors.
   (d) Students have the right to a learning environment which is free from unlawful discrimination, inappropriate and disrespectful conduct, and any and all harassment, including sexual harassment.

(2) Due process.
   (a) The rights of students to be secure in their persons, quarters, papers, and effects against unreasonable searches and seizures is guaranteed.
   (b) No disciplinary sanction may be imposed on any student without notice to the accused of the nature of the charges.
   (c) A student accused of violating this code of student conduct is entitled, upon request, to procedural due process as set forth in this chapter.

The student’s return to college may be conditioned upon compliance with recommendations set forth in such a professional evaluation. If the evaluation indicates that the student is not capable of functioning within the college community, the student will remain suspended until future evaluation recommends that the student is capable of reentering the college and complying with the rules of conduct.

(3) **Not in Good Standing**: A student may be deemed “not in good standing” with the college. If so the student shall be subject to the following restrictions:

PURPOSE

The following procedures are established to meet the requirements for implementing policy #2050 - Student Code.

PROCEDURES

WAC 132H -125-005 - STATEMENT OF JURISDICTION
The student conduct code shall apply to student conduct that occurs on college premises, to conduct that occurs at or in connection with college sponsored activities, or to off-campus conduct that in the judgment of the college adversely affects the college community or the pursuit of its objectives. Jurisdiction extends to, but is not limited to, locations in which students are engaged in official college activities including, but not limited to, foreign or domestic travel, activities funded by the associated students, athletic events, training internships, cooperative and distance education, on-line education, practicums, supervised work experiences or any other college-sanctioned social or club activities. Students are responsible for their conduct from the time of application for admission through the actual receipt of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. These standards shall apply to a student’s conduct even if the student withdraws from college while a disciplinary matter is pending. The college has sole discretion, on a case by case basis, to determine whether the student conduct code will be applied to conduct that occurs off-campus.

WAC 132H -125-010 - DEFINITIONS
The following definitions shall apply for purpose of this student conduct code:

(1) “Student conduct officer” is a college administrator designated by the president or vice president of student services to be responsible for implementing and enforcing the student conduct code. The president or vice president of student services is authorized to reassign any and all of the student conduct officer’s duties or responsibilities as set forth in this Chapter as may be reasonably necessary.

(2) “Conduct review officer” is the vice president of student services or other college administrator designated by the president to be responsible for receiving and for reviewing or referring appeals of student disciplinary actions in accordance with the procedures of this code. The president is authorized to reassign any and all of the conduct review officer’s duties or responsibilities as set forth in this Chapter as may be reasonably necessary.

(3) “The president” is the president of the college. The president is authorized to delegate any and of his or her responsibilities as set forth in this Chapter as may be reasonably necessary.
(4) “Disciplinary action” is the process by which the student conduct officer imposes discipline against a student for a violation of the student conduct code.

(5) “Disciplinary appeal” is the process by which an aggrieved student can appeal the discipline imposed by the student conduct officer. Disciplinary appeals from a suspension in excess of ten (10) instructional days or an expulsion are heard by the student conduct committee. Appeals of all other appealable disciplinary action shall be reviewed through brief adjudicative proceedings.

(6) “Respondent” is the student against whom disciplinary action is initiated.

(7) “Service” is the process by which a document is officially delivered to a party. Service is deemed complete upon hand-delivery of the document or upon the date the document is emailed and deposited in the mail. Unless otherwise provided, service upon a party shall be accomplished by:

(b) by sending the document by email and by certified mail or first class mail to the party’s last known address.

(8) “Filing” is the process by which a document is officially delivered to a college official responsible for facilitating a disciplinary review. Papers required to be filed shall be deemed filed upon actual receipt during office hours at the office of the specified college official. Unless otherwise provided, filing shall be accomplished by:

(10) “Student” includes all persons taking courses at or through the college, whether on a full-time or part-time basis, and whether such courses are credit courses, non-credit courses, on-line courses, or otherwise. Persons who withdraw after allegedly violating the code, who are not officially enrolled for particular term but who have a continuing relationship with the college, or who have been notified of their acceptance for admission are considered “students.”

(11) “Business day” means a week-day, excluding weekends and college holidays.

WAC 132H -125-015 - INITIATION OF DISCIPLINARY ACTION

(1) All disciplinary actions will be initiated by the student conduct officer. If that officer is the subject of a complaint initiated by the respondent, the president shall, upon request and when feasible, designate another person to fulfill any such disciplinary responsibilities relative to the complainant.

(2) The student conduct officer shall initiate disciplinary action by serving the respondent with written notice directing him or her to attend a disciplinary meeting. The notice shall briefly describe the factual allegations, the provision(s) of the conduct code the respondent is alleged to have violated, the range of possible sanctions for the alleged violation(s), and specify the time and location of the meeting. At the meeting, the student conduct officer will present the allegations to the respondent...
and the respondent shall be afforded an opportunity to explain what took place. If the respondent fails to attend the meeting the student conduct officer may take disciplinary action based upon the available information.

(3) Within ten days of the initial disciplinary meeting, and after considering the evidence in the case, including any facts or argument presented by the respondent, the student conduct officer shall serve the respondent with a written decision setting forth the facts and conclusions supporting his or her decision, the specific student conduct code provisions found to have been violated, the discipline imposed (if any), and a notice of any appeal rights with an explanation of the consequences of failing to file a timely appeal.

(4) The student conduct officer may take any of the following disciplinary actions:
   (a) Exonerate the respondent and terminate the proceedings.
   (b) Impose a disciplinary sanction(s), as described in WAC 132_________ and BC Policy 2050.
   (c) Refer the matter directly to the student conduct committee for such disciplinary action as the committee deems appropriate. Such referral shall be in writing, to the attention of the chair of the student conduct committee, with a copy served on the respondent.

WAC 132H -125-020 - APPEAL FROM DISCIPLINARY ACTION

(1) The respondent may appeal a disciplinary action by filing a written notice of appeal with the conduct review officer within twenty-one (21) days of service of the student conduct officer’s decision. Failure to timely file a notice of appeal constitutes a waiver of the right to appeal and the student conduct officer’s decision shall be deemed final.

(2) The notice of appeal must include a brief statement explaining why the respondent is seeking review.

(3) The parties to an appeal shall be the respondent and the conduct review officer.

(4) A respondent, who timely appeals a disciplinary action or whose case is referred to the student conduct committee, has a right to a prompt, fair, and impartial hearing as provided for in these procedures.

(5) On appeal, the college bears the burden of establishing the evidentiary facts underlying the imposition of a disciplinary sanction by a preponderance of the evidence.

(6) Imposition of disciplinary action for violation of the student conduct code shall be stayed pending appeal, unless respondent has been summarily suspended.

(7) The student conduct committee shall hear appeals from:
   (a) the imposition of disciplinary suspensions in excess of ten (10) instructional days;
   (b) dismissals; and
   (c) discipline cases referred to the committee by the student conduct officer, the conduct review officer, or the president.

(8) Student conduct appeals from the imposition of the following disciplinary sanctions shall be reviewed through a brief adjudicative proceeding:
   (a) suspensions of ten instructional days or less;
(b) disciplinary probation;
(c) written reprimands; and
(d) any conditions or terms imposed in conjunction with one of the foregoing disciplinary actions.

(9) Except as provided elsewhere in these rules, disciplinary warnings and dismissals of disciplinary actions are final action and are not subject to appeal.

WAC 132H-125-025 - BRIEF ADJUDICATIVE PROCEEDINGS – INITIAL HEARING

(1) Brief adjudicative proceedings shall be conducted by a conduct review officer designated by the president. The conduct review officer shall not participate in any case in which he or she is a complainant or witness, or in which they have direct or personal interest, prejudice, or bias, or in which they have acted previously in an advisory capacity.

(2) Before taking action, the conduct review officer shall conduct an informal hearing and provide each party (a) an opportunity to be informed of the agency’s view of the matter and (b) an opportunity to explain the party’s view of the matter.

(3) The conduct review officer shall serve an initial decision upon both the parties within ten (10) days of consideration of the appeal. The initial decision shall contain a brief written statement of the reasons for the decision and information about how to seek administrative review of the initial decision. If no request for review is filed within twenty-one (21) days of service of the initial decision, the initial decision shall be deemed the final decision.

(4) If the conduct review officer upon review determines that the respondent’s conduct may warrant imposition of a disciplinary suspension of more than ten (10) instructional days or expulsion, the matter shall be referred to the student conduct committee for a disciplinary hearing.

WAC 132H-125-030 - BRIEF ADJUDICATIVE PROCEEDINGS - REVIEW OF AN INITIAL DECISION

(1) An initial decision is subject to review by the president, provided the respondent files a written request for review with the conduct review officer within twenty-one (21) days of service of the initial decision.

(2) The president shall not participate in any case in which he or she is a complainant or witness, or in which he/she has direct or personal interest, prejudice, or bias, or in which he/she has acted previously in an advisory capacity.

(3) During the review, the president shall give each party an opportunity to file written responses explaining their view of the matter and shall make any inquiries necessary to determine whether the sanctions should be modified or whether the proceedings should be referred to the student conduct committee for a formal adjudicative hearing.

(4) The decision on review must be in writing and must include a brief statement of the reasons for the decision and must be served on the parties within twenty (20) days of the initial decision or of the request for review, whichever is later. The decision on review will contain a notice that judicial review
may be available. A request for review may be deemed to have been denied if the president does not make a disposition of the matter within twenty (20) days after the request is submitted.

(5) If the president upon review determines that the respondent’s conduct may warrant imposition of a disciplinary suspension of more than ten (10) instructional days or expulsion, the matter shall be referred to the student conduct committee for a disciplinary hearing.

WAC 132H-125-035 - STUDENT CONDUCT COMMITTEE

(1) The student conduct committee shall consist of six members:
   (a) Two full-time students appointed by the student government;
   (b) Two faculty members appointed by the president;
   (c) Two administrative staff members (other than an administrator serving as a student conduct or conduct review officer) appointed by the president prior to the beginning of the academic year for alternating two-year terms.

(2) One of the administrative staff members shall serve as the chair of the committee and may take action on preliminary hearing matters prior to convening the committee. The administrative staff members shall receive annual training on protecting victims and promoting accountability in cases involving allegations of sexual misconduct.

(3) Hearings may be heard by a quorum of three members of the committee so long as one faculty member, one student and one administrative staff member are included on the hearing panel. Committee action may be taken upon a majority vote of all committee members attending the hearing.

(4) Members of the student conduct committee shall not participate in any case in which they are a party, complainant, or witness, in which they have direct or personal interest, prejudice, or bias, or in which they have acted previously in an advisory capacity. Any party may petition for disqualification of a committee member pursuant to RCW 34.05.425(4).

WAC 132H-125-040 - APPEAL - STUDENT CONDUCT COMMITTEE

(1) Proceedings of the student conduct committee shall be governed by the Administrative Procedures Act, Chapter 34.05 RCW, and by the Model Rules of Procedure, Chapter 10-08 WAC. To the extent there is a conflict between these rules and Chapter 10-08 WAC, these rules shall control.

(2) The student conduct committee chair shall serve all parties with written notice of the hearing not less than seven days in advance of the hearing date, as further specified in RCW 34.05.434 and WAC 10-08-040 and 10-08-045. The chair may shorten this notice period if both parties agree, and also may continue the hearing to a later time for good cause shown.

(3) The committee chair is authorized to conduct prehearing conferences and/or to make prehearing decisions concerning the extent and form of any discovery, issuance of protective decisions, and similar procedural matters.
(4) Upon request filed at least five days before the hearing by any party or at the direction of the committee chair, the parties shall exchange, no later than the third day prior to the hearing, lists of potential witnesses and copies of potential exhibits that they reasonably expect to present to the committee. Failure to participate in good faith in such a requested exchange may be cause for exclusion from the hearing of any witness or exhibit not disclosed, absent a showing of good cause for such failure.

(5) The committee chair may provide to the committee members in advance of the hearing copies of (a) the conduct officer’s notification of imposition of discipline (or referral to the committee) and (b) the notice of appeal (or any response to referral) by the respondent. If doing so, however, the chair should remind the members that these "pleadings" are not evidence of any facts they may allege.

(6) The parties may agree before the hearing to designate specific exhibits as admissible without objection and, if they do so, whether the committee chair may provide copies of these admissible exhibits to the committee members before the hearing.

(7) The student conduct officer, upon request, shall provide reasonable assistance to the respondent in obtaining relevant and admissible evidence that is within the college's control.

(8) Communications between committee members and other hearing participants regarding any issue in the proceeding, other than procedural communications that are necessary to maintain an orderly process, are generally prohibited without notice and opportunity for all parties to participate, and any improper "ex parte" communication shall be placed on the record, as further provided in RCW 34.05.455.

(9) Each party may be accompanied at the hearing by a non-attorney assistant of his/her choice. A respondent may elect to be represented by an attorney at his or her own cost, but will be deemed to have waived that right unless, at least four (4) business days before the hearing, written notice of the attorney's identity and participation is filed with the committee chair with a copy to the student conduct officer. The committee will ordinarily be advised by an assistant attorney general. If the respondent is represented by an attorney, the student conduct officer may also be represented by a second, appropriately screened assistant attorney general.

WAC 132H-125-045 - STUDENT CONDUCT COMMITTEE HEARINGS — PRESENTATIONS OF EVIDENCE

(1) Upon the failure of any party to attend or participate in a hearing, the student conduct committee may either (a) proceed with the hearing and issuance of its decision or (b) serve a decision of default in accordance with RCW 34.05.440.

(2) The hearing will ordinarily be closed to the public. However, if all parties agree on the record that some or all of the proceedings be open, the chair shall determine any extent to which the hearing will be open. If any person disrupts the proceedings, the chair may exclude that person from the hearing room.

(3) The chair shall cause the hearing to be recorded by a method that he/she selects, in accordance with RCW 34.05.449. That recording, or a copy, shall be made available to any party upon request. The
chair shall assure maintenance of the record of the proceeding that is required by RCW 34.05.476, which shall also be available upon request for inspection and copying by any party. Other recording shall also be permitted, in accordance with WAC 10-08-190.

(4) The chair shall preside at the hearing and decide procedural questions that arise during the hearing, except as overridden by majority vote of the committee.

(5) The student conduct officer (unless represented by an assistant attorney general) shall present the case for imposing disciplinary sanctions.

(6) All testimony shall be given under oath or affirmation. Evidence shall be admitted or excluded in accordance with RCW 34.05.452.

WAC 132H-125-050 - STUDENT CONDUCT COMMITTEE—INITIAL DECISION

(1) At the conclusion of the hearing, the student conduct committee shall permit the parties to make closing arguments in whatever form it wishes to receive them. The committee also may permit each party to propose findings, conclusions, and/or a proposed decision for its consideration.

(2) Within twenty days following the later of the conclusion of the hearing or the committee's receipt of closing arguments, the committee shall issue an initial decision in accordance with RCW 34.05.461 and WAC 10-08-210. The initial decision shall include findings on all material issues of fact and conclusions on all material issues of law, including which, if any, provisions of the student conduct code were violated. Any findings based substantially on the credibility of evidence or the demeanor of witnesses shall be so identified.

(3) The committee's initial order shall also include a determination on appropriate discipline, if any. If the matter was referred to the committee by the student conduct officer, the committee shall identify and impose disciplinary sanction(s) or conditions (if any) as authorized in the student code. If the matter is an appeal by the respondent, the committee may affirm, reverse, or modify the disciplinary sanction and/or conditions imposed by the student conduct officer and/or impose additional disciplinary sanction(s) or conditions as authorized herein.

(4) The committee chair shall cause copies of the initial decision to be served on the parties and their legal counsel of record. The committee chair shall also promptly transmit a copy of the decision and the record of the committee's proceedings to the president.

WAC 132H-125-055 - APPEAL FROM STUDENT CONDUCT COMMITTEE INITIAL DECISION

(1) A respondent who is aggrieved by the findings or conclusions issued by the student conduct committee may appeal the committee's initial decision to the president by filing a notice of appeal with the president's office within twenty-one (21) days of service of the committee's initial decision. Failure to file a timely appeal constitutes a waiver of the right and the initial decision shall be deemed final.

(2) The notice of appeal must identify the specific findings of fact and/or conclusions of law in the initial decision that are challenged and must contain argument why the appeal should be granted. The
The president’s review shall be restricted to the hearing record made before the student conduct committee and will normally be limited to a review of those issues and arguments raised in the notice of appeal.

(3) The president shall provide a written decision to all parties within forty-five (45) days after receipt of the notice of appeal. The president’s decision shall be final and shall include a notice of any rights to request reconsideration and/or judicial review.

(4) The president may, at his or her discretion, suspend any disciplinary action pending review of the merits of the findings, conclusions, and disciplinary actions imposed.

(5) The president shall not engage in an ex parte communication with any of the parties regarding an appeal.

WAC 132H-125-060 - SUMMARY SUSPENSION

(1) Summary suspension is a temporary exclusion from specified college premises or denial of access to all activities or privileges for which a respondent might otherwise be eligible, while an investigation and/or formal disciplinary procedures are pending.

(2) The student conduct officer may impose a summary suspension if there is probable cause to believe that the respondent:
   (a) Has violated any provision of the code of conduct; and
   (b) Presents an immediate danger to the health, safety or welfare of members of the college community; or
   (c) Poses an ongoing threat of substantial disruption of, or interference with, the operations of the college.

(3) Notice. Any respondent who has been summarily suspended shall be served with oral or written notice of the summary suspension. If oral notice is given, a written notification shall be served on the respondent within two business days of the oral notice.

(4) The written notification shall be entitled “Notice of Summary Suspension” and shall include:
   (a) The reasons for imposing the summary suspension, including a description of the conduct giving rise to the summary suspension and reference to the provisions of the student conduct code or the law allegedly violated;
   (b) The date, time, and location when the respondent must appear before the conduct review officer for a hearing on the summary suspension; and
   (c) The conditions, if any, under which the respondent may physically access the campus or communicate with members of the campus community. If the respondent has been trespassed from the campus, a notice against trespass shall be included that warns the student that his or her privilege to enter into or remain on college premises has been withdrawn, that the respondent shall be considered trespassing and subject to arrest for criminal trespass if the respondent enters the college campus other than to meet with the student conduct officer or conduct review officer, or to attend a disciplinary hearing.

(5) The conduct review officer shall conduct a hearing on the summary suspension as soon as practicable after imposition of the summary suspension.
During the summary suspension hearing, the issue before the conduct review officer is whether there is probable cause to believe that the summary suspension should be continued pending the conclusion of disciplinary proceedings and/or whether the summary suspension should be less restrictive in scope.

The respondent shall be afforded an opportunity to explain why summary suspension should not be continued while disciplinary proceedings are pending or why the summary suspension should be less restrictive in scope.

If the respondent fails to appear at the designated hearing time, the conduct review officer may order that the summary suspension remain in place pending the conclusion of the disciplinary proceedings.

As soon as practicable following the hearing, the conduct review officer shall issue a written decision which shall include a brief explanation for any decision continuing and/or modifying the summary suspension and notice of any right to appeal.

To the extent permissible under applicable law, the conduct review officer shall provide a copy of the decision to all persons or offices who may be bound or protected by it.

WAC 132H-125-100 - DISCIPLINE PROCEDURES FOR CASES INVOLVING ALLEGATIONS OF SEXUAL MISCONDUCT

Both the respondent and the complainant in cases involving allegations of sexual misconduct shall be provided the same procedural rights to participate in student discipline matters, including the right to participate in the initial disciplinary decision-making process and to appeal any disciplinary decision.

Application of the following procedures is limited to student conduct code proceedings involving allegations of sexual misconduct by a student. In such cases, these procedures shall supplement the student disciplinary procedures in WAC 132H-125-005 through -060. In the event of conflict between the sexual misconduct procedures and the student disciplinary procedures, the sexual misconduct procedures shall take precedence.

WAC 132H-125-105 - SUPPLEMENTAL DEFINITIONS

The following supplemental definitions shall apply for purposes of student conduct code proceedings involving allegations of sexual misconduct by a student:

(1) A “complainant” is an alleged victim of sexual misconduct, as defined in subsection (2) of this section.

(2) “Sexual misconduct” is prohibited sexual or gender-based conduct by a student, including, but not limited to:

(a) sexual activity for which clear and voluntary consent has not been given in advance;
(b) sexual activity with someone who is incapable of giving valid consent because, for example, she or he is underage, sleeping or otherwise incapacitated due to alcohol or drugs;
(c) sexual harassment;
(d) sexual violence, which includes, but is not limited to, sexual assault, domestic violence, intimate violence, and sexual or gender-based stalking;
(e) non-physical conduct such as sexual or gender-based digital media stalking, sexual or gender-based online harassment, sexual or gender-based cyber-bullying, nonconsensual recording of a sexual activity, and nonconsensual distribution of a recording of a sexual activity.

WAC 132H-125-110 - SUPPLEMENTAL COMPLAINT PROCESS

(1) The following supplemental procedures shall apply with respect to complaints or other reports of alleged sexual misconduct by a student.

(2) The college’s Title IX compliance officer shall investigate complaints or other reports of alleged sexual misconduct by a student. Investigations will be completed in a timely manner and the results of the investigation shall be referred to the student conduct officer for disciplinary action.

(3) Informal dispute resolution shall not be used to resolve sexual misconduct complaints without written permission from both the complainant and the respondent. If the parties elect to mediate a dispute, either party shall be free to discontinue mediation at any time. In no event shall mediation be used to resolve complaints involving allegations of sexual violence.

(4) College personnel will honor requests to keep sexual misconduct complaints confidential to the extent this can be done without unreasonably risking the health, safety and welfare of the complainant or other members of the college community or compromising the college’s duty to investigate and process sexual harassment and sexual violence complaints.

(5) The student conduct officer, prior to initiating disciplinary action, will make a reasonable effort to contact the complainant to discuss the results of the investigation and possible disciplinary sanctions and/or conditions (if any) that may be imposed upon the respondent if the allegations of sexual misconduct are found to have merit.

(6) The student conduct officer, on the same date that a disciplinary decision is served on the respondent, will serve a written notice informing the complainant whether the allegations of sexual misconduct were found to have merit and describing any disciplinary sanctions and/or conditions imposed upon the respondent for the complainant’s protection, including disciplinary suspension or dismissal of the respondent. The notice will also inform the complainant of his or her appeal rights. If protective sanctions and/or conditions are imposed, the student conduct officer shall make a reasonable effort to contact the complainant to ensure that prompt notice of the protective disciplinary sanctions and/or conditions.

WAC 132H-125-115 - SUPPLEMENTAL APPEAL RIGHTS

(1) The following actions by the student conduct officer may be appealed by the complainant:

(a) the dismissal of a sexual misconduct complaint; or

(b) any disciplinary sanction(s) and conditions imposed against a respondent for a sexual misconduct violation, including a disciplinary warning.

(2) A complainant may appeal a disciplinary decision by filing a notice of appeal with the conduct review officer within twenty-one (21) days of service of the notice of the discipline decision provided for in WAC 132H-125-110(5). The notice of appeal may include a written statement setting forth the grounds of appeal. Failure to file a timely notice of appeal constitutes a waiver of this right and the disciplinary decision shall be deemed final.
If the respondent timely appeals a decision imposing discipline for a sexual misconduct violation, the college shall notify the complainant of the appeal and provide the complainant an opportunity to intervene as a party to the appeal.

Except as otherwise specified in this supplemental procedure, a complainant who timely appeals a disciplinary decision or who intervenes as a party to respondent's appeal of a disciplinary decision shall be afforded the same procedural rights as are afforded the respondent.

An appeal by a complainant from the following disciplinary actions involving allegations of sexual misconduct against a student shall be handled as a brief adjudicative proceeding:

(a) exoneration and dismissal of the proceedings;
(b) an disciplinary warning;
(c) a written reprimand;
(d) disciplinary probation;
(e) suspensions of ten instructional days or less; and/or
(f) any conditions or terms imposed in conjunction with one of the foregoing disciplinary actions.

An appeal by a complainant from disciplinary action imposing a suspension in excess of ten (10) instructional days or an expulsion shall be reviewed by the student conduct committee.

In proceedings before the student conduct committee, respondent and complainant shall have the right to be accompanied by a non-attorney assistant of their choosing during the appeal process. Complainant may choose to be represented at the hearing by an attorney at his or her own expense, but will be deemed to have waived that right unless, at least four (4) business days before the hearing, he or she files a written notice of the attorney's identity and participation with the committee chair, and with copies to the respondent and the student conduct officer.

In proceedings before the student conduct committee, complainant and respondent shall not directly question or cross examine one another. All questions shall be directed to the committee chair, who will act as an intermediary and pose questions on the parties' behalf.

Student conduct hearings involving sexual misconduct allegations shall be closed to the public, unless respondent and complainant both waive this requirement in writing and request that the hearing be open to the public. Complainant, respondent and their respective non-attorney assistants and/or attorneys may attend portions of the hearing where argument, testimony and/or evidence are presented to the student conduct committee.

The chair of the student conduct committee, on the same date as the initial decision is served on the respondent, will serve a written notice upon complainant informing the complainant whether the allegations of sexual misconduct were found to have merit and describing any disciplinary sanctions and/or conditions imposed upon the respondent for the complainant's protection, including suspension or dismissal of the respondent. The notice will also inform the complaint of his or her appeal rights.

The complainant may appeal the student conduct committee's initial decision to the president subject to the same procedures and deadlines applicable to other parties.

The president, on the same date that the final decision is served upon the respondent, shall serve a written notice informing the complainant of the final decision. This notice shall inform the
complainant whether the sexual misconduct allegation was found to have merit and describe any
disciplinary sanctions and/or conditions imposed upon the respondent for the complainant’s
protection, including suspension or dismissal of the respondent.

   i. dismisses disciplinary proceedings based upon a finding that the allegations of sexual
   misconduct have no merit; or

(9) Appeals of decisions regarding mandatory tuition and fee waivers.

Five years ago, the State Board for Community and Technical Colleges (SBCTC) provided colleges the option of counting international students as part of the college’s state-funded enrollment target or engaging in a contractual relationship with a community entity to offer the program. In addition, if a college chooses the second option, the SBCTC requires that the college’s board reaffirm annually that it is continuing this contractual arrangement because the college is unable to accommodate international student programs within the current state funded enrollment target. Bellevue College has opted to offer the program through a contractual arrangement with the Bellevue College Foundation, since the college has been oversubscribed in meeting its state enrollment target in previous years, and intends to continue this option.

**Key Questions**

- Does continuing the contractual arrangement for International Programs with the Bellevue College Foundation support the college’s mission in supporting its international program?

**Analysis**

The college continues to be overenrolled and cannot support International Student Program enrollments within the current state funded enrollment target. The existing contractual relationship with the Bellevue College Foundation supports the college’s international student program.

**Recommendation/Outcomes**

That the Board of Trustees of Community College District VIII approve the contractual relationship with the Bellevue College Foundation for International Student Programs for FY 2014-15.

REGULAR MEETING AGENDA ITEM

2014-2015 SERVICES & ACTIVITIES FEE BUDGET

Description
RCW 28B.15.044 for the State of Washington grants authority to the Board of Trustees to approve the Associated Student Government’s Services and Activities (S & A) Budget. Further, it requires students to advance a budgetary recommendation for consideration of the Board of Trustees.

The S & A Budget is developed by a committee, comprised of four students, one administrator and one each faculty and classified staff representatives. This year’s committee members are (asterisks denote voting members):

Leslie Mayo*- ASG VP of Finance (Chair)
Francisco Enriquez* - Student at Large
Stephanie Rowe* - Student at Large
Komalpreet Kaur* - ASG Representative
Jennifer Strother* - Administrator
James Torrence* - Faculty
Pamela Badger*- Classified Staff
Faisal Jaswal – Assistant Dean Student Programs

The committee completed its deliberations and has prepared a recommendation for the 2014-2015 year that will be presented for action at the June Board of Trustees meeting. The budget was approved unanimously by the committee.

Key Questions
• Is the services and activities fee budget proposal equitable and does it address the needs of student funded programs?
• How does the services and activities fee budget plan reflect a sustainable balanced budget?
• What are some key considerations/strategies to maintain the growth and continued integrity of the services and activities budget and the programs it supports?

Analysis
The proposed services and activities budget recommendations fund $2,157,750 to student funded programs. No programs will experience any budgetary cuts during this fiscal period. The recommended

ELECTION OF BOARD CHAIR AND VICE CHAIR

Description
The terms of the current chair and vice chair end on June 30, 2014. Bellevue College bylaws and Washington state RCW require that a new chair and vice chair be elected.

Key Questions
• Who shall serve as Chair and Vice Chair of the Board of Trustees for the 2014-15 academic year?

Analysis
As per the Bellevue College bylaws for the Board of Trustees (WAC 132H-106-040), the board annually elects from its membership a chair and vice-chair to serve for the ensuing year. RCW 28B.50.130 mandates that “…it shall elect from among its members a chair and vice chair, each to serve for one year, and annually thereafter shall elect such officers to serve until their successors are appointed or qualified.”

Recommendation/Outcomes
That the Board of Trustees of Community College District VIII elect a chair and vice chair for the 2014-15 term commencing on July 1, 2014 and ending on June 30, 2015.

**REGULAR MEETING AGENDA ITEM**

**SABBATICAL LEAVE AUTHORIZATION FOR THE 2014-15 ACADEMIC YEAR**

**□ INFORMATION**  **□ FIRST READ**  **★ ACTION**

**Description**
The purpose of a Sabbatical Leave shall be to improve the professional skills of the faculty member through study, research, and creative work. The College will receive direct benefit of such an experience through the increasing effectiveness of those persons participating in a professional leave program.

**Key Questions**

* What is the final recommendation of the Sabbatical Leave Committee regarding sabbatical leave requests for the 2014-15 academic year?
* What is the President’s recommendation regarding the granting of sabbatical leaves for the 2014-15 academic year?
* What is the replacement cost for this recommendation?
* What is the Board of Trustees’ role in the sabbatical leave process?

**Analysis**
At the May 7, 2014 Board meeting, Board members were informed that the Sabbatical Leave Committee has received requests from nine (9) faculty members for sabbatical leaves during the 2014-15 academic year. The total number of quarters requested was equivalent to 5.99 FTEF.

The Board of Trustees has committed, through the Negotiated Agreement, to make "every reasonable effort to grant at least 5 FTE leaves annually, provided that at least that number of applicants have applied and are ranked by the Sabbatical Leave Committee..." (Article IX, Section IV, C). The number of leaves granted is subject to fiscal and budget constraints and the calculation of potential cost of replacement.

The Sabbatical Leave Committee has ranked the nine (9) requests and submitted its recommendation to the President. The President recommends that the Board of Trustees grant eight (8) sabbatical leave requests equivalent to 4.99 FTEF, at the cost of $98,171 for the 2014-15 academic year.

**Background/Supplemental Information**
Sabbatical Leave Requests for 2014-15 Summary

**Recommendation/Outcomes**
That the Board of Trustees of Community College District VIII concurs with the recommendation of the President and authorizes sabbatical leaves equivalent to 4.99 FTEF, at the cost of $98,171 for the 2014-15 academic year.

SABBATICAL LEAVE REQUESTS 2014-15
SUMMARY

PETE BLOOMSBURG, Science
To better inform the decisions of the Math Department at Bellevue College, Pete would like to study statistical analysis with a focus on statistical programming, fundamentals of statistics, and longitudinal data analysis. Pete feels that the future of educational research is in longitudinal rather than cross-sectional data analysis. He would like to contribute what he learns in this area to his department’s efforts in assessing the effectiveness of placement exams and math course succession.

KELLY ELSENBAUMER, Health Science, Education and Wellness Institute
Kelly’s goal is to be invited to participate in the most advanced Muscle Activation Techniques (MAT) Rx classes which take place in Denver, Colorado. To attain this goal, the MAT organization requires candidates to complete a series of seven courses (four of which she has already accomplished) and pass the Master Specialist Certification exam. Kelly would use her sabbatical leave to study concepts and practice skills to become proficient and gain sufficient experience prior to scheduling a date for the exam. Should she achieve her goal, Kelly would be one of only four MAT Master Specialists in Washington State, with approximately 80 Master Specialists world-wide.

STEPHEN GARROW, Institute for Business and Information Technology
Stephen intends to use his sabbatical leave to participate in the Communication Leadership program at the University of Washington, focusing on traditional narrative structures in the newest territories of visual story-telling and exploring the pedagogy that drives this continuing development. From this, Stephen feels he will be able to contribute to the Digital Media Arts program’s importance and longevity by strengthening the relevance of his own course offerings, sharing new insights and teaching practices with other DMA faculty, and introducing a comprehensive plan to expand student knowledge, experience, capability, and opportunity.

DALE HOFFMAN, Science
Sabbatical leave would give Dale focused time to complete the open source text he created for Contemporary Calculus I, II, and III covering the first four quarters of calculus. This text is used by the instructors at Bellevue College and is in use at institutions in several other states. He would add text covering a fifth quarter of calculus, and augment the online practice problem sets that are proving popular and effective with students. Increasing and improving the content of the Open Course Library contributes to the goals of teaching and learning excellence and to Bellevue College’s commitment to student success.

HARLAN LEE, Counseling
The work Harlan plans for his sabbatical leave would contribute to achieving Counseling Department goals and informing the transformation of the Student Services division. Counseling has set a goal to expand the number of online Human Development course offerings and Harlan would spend a portion of his sabbatical leave crafting a new online Human Development course as well as preparing one of the existing classes for online delivery. Harlan also plans to spend time visiting prominent colleges to learn about the structure and range of services of their counseling centers and investigate their wellness initiatives. That information can be shared with those involved in redesigning Bellevue College Student Services.
LESLIE LUM, Social Science
To reach a greater number of students, Leslie would like to rewrite her textbook, *Multicultural Marketing and Business Consulting*, as well as develop the accompanying curriculum material such as video lectures, activities and assignments. She also plans to cultivate relationships with businesses that may help create a more consistent pipeline of projects, which would benefit other programs such as Digital Media Arts and Interior Design. Leslie would also work to design a mentorship platform meant for recruiting mentors and coordinating training for guiding students through the learning process.

DANA UPDEGROVE, Science
The purpose of Dana’s sabbatical leave request is to modify the summer evening offerings of Math 142, Pre-Calculus II into a hybrid version of the course. The result would shorten the on-campus time required by 2 hours per session. Dana would need to study the construction of other hybrid and online math courses, and learn the necessary technology to complete the redesign with the goal of offering the course for summer 2015. Other mathematics courses could potentially be offered in the same format in future summer quarters and eventually in fall, winter and spring to help alleviate the current shortage of classrooms.

CONNIE WAIS, Arts and Humanities
Connie’s request for sabbatical leave focuses on upgrading her skills and competencies with current technology such as Revit, SketchUp, Photoshop, and InDesign in order to improve instructional effectiveness. This would also aid in upgrading the visual content of her current online courses and contribute to the quality of new e-learning courses yet to be constructed. Connie is considering workshops and courses at other institutions, but feels fortunate to have the richness of course offerings in programs such as Interior Design, Digital Media Communications, and Business Technology at Bellevue College from which to choose in order to achieve her professional development goals.
REGULAR MEETING AGENDA ITEM

TENURE REVIEW COMMITTEE RECOMMENDATIONS FOR THE 2014-15 ACADEMIC YEAR

Description
A recommendation from the Tenure Review Committee concerning two tenure candidates has been submitted to the Board of Trustees, in accordance with the "Agreement Between the Board of Trustees of Community College District VIII and the Bellevue College Association of Higher Education." On the basis of this recommendation and in accordance with the provisions of the Agreement, it is the recommendation of the President that two of the faculty candidates listed below be granted tenure.

Key Questions
* Have the third year probationary tenure candidates fulfilled all the necessary responsibilities as described in Article Fifteen, Section II of the faculty contract as part of the process of receiving tenure?
* Has the Tenure Review Committee thoroughly reviewed the required documents as described in the tenure guidelines, and deliberated the merits of each probationary candidate?
* Has the pertinent documentation for all candidates been made available for review by the Board of Trustees?
* What are the recommendations of the Tenure Review Committee regarding the tenure status for the two probationary candidates for the 2014-15 year?

Analysis
The reason for tenure, as stated in the Revised Code of Washington, is to protect faculty employment rights. Further, tenure protects academic freedom and promotes collegiality and professionalism among faculty.

The tenure process at Bellevue College involves three levels:

1. The Tenure Evaluation Subcommittee (TES) gathers information, mentors the candidate, and prepares the tenure document.
2. The Tenure Review Committee (TRC), including six faculty members elected by the faculty at large, reviews the documentation prepared by the TES to ensure that similar standards and expectations are met across the many disciplines. The TRC provides an objective look at each document to make sure that the case supporting the recommendation of the TES is sound.
3. Finally, the Board of Trustees, giving serious consideration to the recommendation of the TRC, decides to grant or not grant tenure. During the first two years of candidates’ employment, the President uses the recommendation of the TRC to decide whether or not to continue the probationary period.

Required documents have been gathered by the TES and the tenure candidates that provide evidence that the process described above has been strictly followed.

Background/Supplemental Information
Electronic notebooks in .pdf format have been distributed to each board member on a thumb drive. All pertinent documents for each tenure candidate are included for review by members of the Board of Trustees.

Recommendation/Outcomes
Recommendation: That the Board of Trustees of Community College District VIII hereby grants tenure for the 2014-15 academic year to Anne-Mary Nash Haruna, Institute for Business and Information Technology (Accounting Paraprofessional).

Recommendation: That the Board of Trustees of Community College District VIII hereby grants tenure for the 2014-15 academic year to Megan Hansen, Arts and Humanities (English).
