Vision
Bellevue College is the region’s college of choice, based on its excellence, innovation, and national recognition for exemplary programs.

Core Values
We, the Board of Trustees, faculty, staff and administration of Bellevue College, place students at the center of all we do and support and promote the excellence of their efforts. We affirm and embody pluralism; value collaboration and shared decision making; and honor creativity and innovation. We consider it our duty to anticipate changing demands in education and welcome the opportunity to shape its future. We acknowledge our responsibility to society and embrace the belief that widespread access to excellent postsecondary education is the cornerstone of a democratic society.

Mission
Bellevue College is a student-centered, comprehensive and innovative college, committed to teaching excellence, that advances the life-long educational development of its students while strengthening the economic, social and cultural life of its diverse community. The college promotes student success by providing high-quality, flexible, accessible educational programs and services; advancing pluralism, inclusion and global awareness; and acting as a catalyst and collaborator for a vibrant region.

Core Themes: Mission Alignment

Student Success
BC supports the success of all students in meeting their educational goals through its commitments to open access learning; to offer a portfolio of appropriate and well-chosen educational programs, services, and activities; and to its ongoing attention to student persistence and educational attainment.

Teaching and Learning Excellence
BC prepares and enables excellence in teaching and learning through its commitments to ensure relevance, responsiveness, and inclusiveness of curriculum; to maintain an effective teaching environment by supporting the teaching and professional achievement of all faculty; to provide for the accessibility of quality learning support services; and to monitor the academic and professional success of all students.

College Life and Culture
BC values a learning and working environment through its commitments to support a campus environment that is diverse, inclusive, open, safe, and accessible; to model a college community that affirms and embodies pluralism and values collaboration and shared decision making; and to honor and practice sustainability, creativity and innovation.

Community Engagement and Enrichment
BC strives to be a leader and partner in building a strong and vibrant region through its commitments to collaborate with businesses, industries, local school districts, primary transfer institutions, alumni, donors, and governmental and social services organizations to develop and refine educational programs that prepare individuals for academic success, employment, and lifelong learning; and to provide programs and space for use by the community at large.

III. CONSTITUENT REPORTS

Faculty Report
Doug Brown, Bellevue College Association of Higher Education (BCAHE) President, discussed the following:

- Senate Bill 5905 – health care for part time employees
- Concerns about salaries and retention vs. cost of living in Bellevue

Steve Miller requested a one page summary regarding the health care concerns and impacts to students.

Classified Staff Report
Jan Ng, representing classified staff, reported on the following key points:

- Concerns regarding the intent of reorganizations of departments on campus
- Safety issues and training – emergency management
- Proposal for a 50/50 matching fitness hour for staff
- Introduced Becky Turnbull as 2013-14 chief job steward

Student Report
Takhmina Dzhuraeva, ASG President, shared some of the 2012-13 ASG accomplishments which included:

- Funding eight water bottle fill stations throughout campus
- Negotiated and rewrote the Student Technology Fee (STF) contract in conjunction with Information Resources
- Registered 891 Bellevue College students to vote

IV. MONITORING REPORTS
The board reviewed the monitoring reports with staff. Discussion included:

- Retention and what criteria is considered for the designation of non-completers
- Description of competency based education model and incorporation of prior learning
- Positioning Bellevue College to be a statewide leader with technology related items and developing pathways to the baccalaureate degrees
• It was noted that the funds raised at the foundation luncheon increased to $255,000 and the percentage of giving increased to 93%.

V. INFORMATION ITEM
A. All USA/All Washington Academic Team
Two students from the Bellevue College Phi Theta Kappa, the International Honor Society for Two Year Colleges, were introduced to the board. Mustapha Ennaimy and Hatha Dam were selected for the 2012-13 All USA/All Washington Academic Team.

VI. FIRST READ
A. 2013-14 International Student Contract
Ray White presented the proposed 2013-14 international student contract for the board’s consideration.
B. 2013-14 College Budget
Ray White presented the possible budget scenarios for the board based upon the college’s best knowledge at this time. The proposal includes additional motions authorizing the president to act on the plans presented to the board when budget and tuition authorization is received from the state.
C. Parent Education Waivers
The board was updated on the status of parent education tuition waivers and the proposal for maintaining the current waiver. Ray White reviewed the analysis for the current recommendation.
D. 2013-14 Services & Activities Budget
ASG President Takhmina Dzheraeva presented the proposal for the 2013-14 Services & Activities Budget for the Associated Student Government.
E. 2013-14 Tuition and Fee Schedule

G. Sabbatical Leave Authorization
Tom Nielsen presented the proposal for sabbatical leaves for the 2013-14 academic year.
H. Technology Accessibility Policy
Russ Beard presented the proposed technology accessibility policy which would mandate compliance with the federal guidelines on technology accessibility.

VII. ACTION ITEMS
A. East Campus Physical Master Plan
Ray White reviewed the recommendations for the east campus physical master plan that is required to obtain the permit from the City of Issaquah. If granted, the permit would be in effect for thirty years.

Motion 10:13
It was moved by Vicki Orrico and seconded by Robert Rowe that:
The Board of Trustees of Community College District VIII approves the East Campus Physical Master Plan model as presented and adopts the concept for the purposes of site permitting and further development of the Site Master.

The motion passed unanimously (6-0).

B. Presidential Contract Addendum
In order to align the president’s contract with the college’s academic year, it is recommended that the president’s contract be revised to align with the fiscal/academic years.

Motion 11:13
It was moved by Marie Gunn and seconded by Vicki Orrico that:

The Board of Trustees of Community College District VIII accept the proposed addendum to the president’s contract and designate the appointment of the president as January 2, 2013 until June 30, 2016.

The motion passed unanimously (5-0).

VIII. BOARD REPORTS
TACTC –Marie Gunn noted that there were some informative presentations regarding STEM at the recent TACTC conference.

Individual Member Reports – It was noted that Paul Chiles term is expiring and the college is working to determine a process for making recommendations to the governor’s office for a new trustee.

IX. PRESIDENT’S REPORT
President Rule reported to the board on the following key points:

- The campus climate survey draft results have been received. A committee has been formed to identify roll out plan for additional focus on the results. An email is being distributed on campus regarding results and next steps. The first day of opening week will be dedicated to conversation about the climate survey.
- President Rule has been reappointed to the AACC Commission on Diversity, Inclusion & Equity.
- Bellevue College submitted two proposals for presentation at ACCT. The college was notified that only one proposal could be selected from the college. The college selected the proposal from Lisa Chin and Marci Muhlestein on OLS at Bellevue College.
- Ata Karim was selected as a participant in the Washington Executive Leadership Academy (WELA).
- Cesar Portillo has accepted a position in California and will be leaving BC in mid-June.

STUDENT SUCCESS

BACCALAUREATE DEGREES

About the programs

- BC was one of the initial pilot colleges in Washington State authorized to offer applied baccalaureate degrees—sometimes called “upside down degrees”—that help students in selected professional-technical programs gain the knowledge needed to compete for jobs that require advanced qualifications in their field.

- BC accepted its first class of baccalaureate students into its Radiation and Imaging Sciences (BAS) program in AY 2007-08. In AY 2009-10, the Bachelor of Applied Arts in Interior Design (BAA) program admitted its first cohort, followed by the Bachelor of Applied Science in Healthcare Technology (HCT) in AY 2012-13.

- Since AY 2007-08, BC has accepted 361 students into these first three baccalaureate programs. Chart 1 shows the distribution of these students across the three programs. (Keep in mind, HCT has been operational less than one year.)

- Demographics across all programs:
  - Nearly 80% of all students were female.
  - 72% were White; 15% were Asian; 5% were Hispanic; 3% self-identified as African American, Multi-racial, or Other race; and the remaining 5% did not self-identify a race or ethnicity.
  - 44.3% had previously earned a BC certificate or degree.

Completion and Persistence

- Beginning with the first graduation class of BAS students in June 2009, there have been 154 baccalaureate degrees conferred: 56 BAS and 98 BAA. Nearly two-thirds (62.5%) of the fall 2007 entering cohort for the BAS (n=40) had graduated as of winter 2012. Graduates in the BAS program took as few as 7 and as many as 16 quarters to complete their degrees. Of the remaining 15 from the original cohort, 1 is registered for summer 2013, 8 stopped attending after spring 2008, and 3 never started the program.

- Over 80% (83.3%) of the entering cohort of BAA students (n=42) had graduated as of winter 2012. Graduates in the BAA program took as few as 3 and as many as 10 quarters to complete their degrees. Of the remaining 7, 3 were last enrolled in AY 2011-12, 3 in AY 2012-13, and 1 is registered for fall 2013.

Future Opportunities

- Students will enter BC’s two newest baccalaureate programs—the Bachelor of Science in Nursing and the Bachelor of Applied Science in Information and Systems Technology—as early as fall 2013.

INSTRUCTION

FULL-TIME TENURE TRACK FACULTY HIRING

Key Points
In September 2012, Instruction began hiring efforts for full-time, tenure track faculty positions to start in fall 2013. At the direction of the Interim President, and in collaboration with Human Resources and the Office of Equity and Pluralism, Instruction took an assertive approach to hiring diverse employees with the goal of contributing significantly to the College’s commitment to pluralism and building a faculty membership that would more closely reflect our student population.

• Pluralism in the Selection Process training was developed by HR and offered as a mandatory step for hiring authorities and anyone wishing to participate on a faculty search advisory committee. The training combined on-ground and online delivery, was extremely well-attended, and received positive feedback from the attendees. As a result of the training, faculty job descriptions, job opening notices, and interview questions and criteria were reviewed for bias and revised using more inclusive language.

• A group of Instruction representatives attended the annual CCC Registry Job Fair in Los Angeles, CA as well as the National Conference on Minority Faculty/Staff Recruitment in Las Vegas, NV.

• Faculty positions were advertised in the National Registry of Diverse and Strategic Faculty, as well as in other more traditional ways. Advertising was also targeted by discipline, based on information provided by Faculty Screening Committees.

• The Vice President of Instruction worked closely with the Vice President of Human Resources, the Vice President of Diversity, the Interim President, and Faculty Screening Committees to review demographic information of the candidates, identify opportunities for creating additional faculty positions if strong pools of diverse candidates were present, and making thoughtful and deliberate decisions while respecting an open, fair, and transparent process.

Although the hiring process for this year is not yet complete, The Office of Instruction is encouraged by the progress made so far to reduce the gap between the demographics of the institution’s full-time faculty membership and that of Bellevue College’s students. The positive hiring results are certainly due to the active and intentional collaboration among all participants working to achieve a common goal.

Report by: Paula Boyum, Vice-President of Economic & Workforce Development paula.boyum@bellevuecollege.edu
Bellevue College is committed to educating students to become ethical, caring, knowledgable, and inclusive leaders ready to engage and compete in a diverse world as global citizens. BC Student Leadership Institute is aimed at fulfilling this need for BC students. It consists of curricular and co-curricular learning experiences through out the academic year. The student leadership institute offers:

- Modularized Leadership Curriculum
- Leadership Portfolio Development
- Leadership Assessment Development
- Leadership Needs Assessment
- Exit Interviews for outgoing officers

Camp Casey Leadership Retreat launches this year long learning experience. Camp Casey is a four day leadership retreat that is sponsored by the Student Programs Office. Camp Casey was a former military barrack that is located on Whidbey Island. All student leaders: Associated Student Govt. officers, Office of Student Legislative Affairs, College Activities Board, Sustainability, Peer 2 Peer, PeerAssisted Leadership through Service Center and other students employed in Student Programs, club and program officers are encouraged to attend. The goal of Camp Casey is to develop leadership skills, learn more about themselves as a leader, get to know other students leaders, create ideas for club/program collaboration, and to get to know the Student Programs staff better.

Camp Casey started in 2007 with 50 attendees and has grown to 145 attendees for 2013. Camp learning outcomes focus on; personal intercultural functioning as leaders in a multicultural context, leadership capabilities, able to identify real life experience; and create a plan of how they can apply the operational and tactical skills they learned on the retreat during the upcoming year.

Student testimonials:

“I attended last year. I knew few people from Student Programs but eventually being there, I got to know more students from different ethnicities. I learned to respect their background, religion and respect their tradition.” (Safae Zniber - BC student). This year’s student commencement speaker.

“I learned how to make friends and socialize. Learned how to work with a team. What it’s like to be a leader. Learned about leadership skills.” (Jae hee Kim - BC student).

"I learned how to think of others, be more open minded to other cultures and other people’s lived experiences. Learned about various disabilities – hidden and obvious and how to assist them when needed. How to work better with teams and be inclusive. Learned how to better use my leadership skills." (Stephanie Rowe – BC student)

Next Steps

- Transcript the co-curricular and curricular activities and classes to create a leadership concentration for BC students who participate in BC Student Leadership Institute.

JUNE 12, 2013: UPDATED FROM MAY 23 REPORT

Foundation Impact on the College:

- Foundation Scholarship Applications have opened online. More than 300 students have entered the site, though the great majority had not yet completed the online applications one week prior to the June 7 deadline. Staff are contacting applicants, and past experience tells us that the great majority of applications will be complete.

- Scholarship read day is scheduled for July 23. Thirty Foundation Board members, scholarship donors, College faculty and staff are expected for the all-day event, reading and scoring applications for scholarships administered by the Foundation.

- Fourteen original oil paintings collectively titled 'The Bel Red Paintings, An Expressionist’s View' have been donated by the artist, Bellevue College graduate and commercial artist Brian Forrest. The paintings depict cityscapes and landscapes in Bel-Red, an area east of downtown Bellevue. Options are being developed to display the painting and enable Forrest to present the series in-person at an on-campus showing. The paintings have previously been exhibited at The Bravern and at The Marketplace at Factoria.

- Bricks: A contract has been awarded by the College for construction of a plaza for commemorative bricks in the area in front of the fountain. Work will begin the day after conclusion of spring final exams. The Foundation is granting funds to cover the installation of high quality bricks in distinctive patterns.

- Paul Swegle, President of the Foundation Board, has accepted an invitation from Dave Rule to represent the Foundation and join the Trustees, President Rule, and senior management of the College on the dais during BC Commencement Ceremonies at Key Arena on June 14.

Luncheon Final Results:

- The 14th annual Become Exceptional Luncheon took place May 1 at the Meydenbauer Center with 641 attendees. Keynote speaker was Gerald Chertavian, Founder and CEO of Year Up.

- The Luncheon raised $255,812. Sponsorship income was down from the previous year, but individual giving remained strong. Ninety-three percent of the attendees made gifts at the Luncheon, resulting in record on-the-day giving.

Foundation Planning:

- The Foundation Board of Directors will hold an all-day planning meeting on June 20. Foci of the session will be an in-depth review of the Foundation’s current strategic plan and prioritization of plan goals that are suitable to achieve in 2013-2014. The Strategic Planning Committee of the Foundation Board has outlined revisions to the plan that aim to transition the Foundation to a more expansionary fund-raising program and to facilitate greater interaction between the Foundation Board and College stakeholders.

Report by: Laurence W. Herron, Vice President, Institutional Advancement
Larry.herron@bellevuecollege.edu
Key Points – Strategic Plan Progress

- Funding has been secured and will be available on July 1, 2013 for the network upgrade. With that in mind the network team has been working to determine the appropriate solution. IR is on track to complete the entire project by the start of fall quarter.

- Information Resources is in conversations with VM Ware’s End User Computing (EUC) Division to conduct an analysis of the persona and needs of our users. This will be a six to eight week engagement that will lay the foundation the Interaction Layer of the strategic plan.

Next Steps

- Procurement of the wireless network equipment will begin in early July. The data center and transport late will follow close behind. Under the current timeline the goal of converting the data center to a private cloud, as described in the strategic plan will be complete by the end of September. Parallel to this activity email services will be moving to Office 365. This is a statewide implementation driven by the efficiencies study from 2010.

- Information Resources is working with VM Ware EUC to conduct analysis of the needs and personas of BC users, both today and in the future. This study will be used to understand how the systems will need to work today and tomorrow to meet those needs. This study will also inform the next revision of the strategic plan. IR is deliberately focusing on the end users in order to expose the areas of inequity so that they can be addressed. Information Resources is committed to inclusion in all of the services we provide.

Report by: Russell Beard, Vice President of Information Resources
Russ.beard@bellevuecollege.edu
DESCRIPTION

Four years ago, the State Board for Community and Technical Colleges (SBCTC) provided colleges the option of counting international students as part of the college’s state-funded enrollment target or engaging in a contractual relationship with a community entity to offer the program. In addition, if a college chooses the second option, the SBCTC requires that the college’s board reaffirm annually that it is continuing this contractual arrangement because the college is unable to accommodate international student programs within the current state funded enrollment target. Bellevue College has opted to offer the program through a contractual arrangement with the Bellevue College Foundation, since the college has been oversubscribed in meeting its state enrollment target in previous years, and intends to continue this option.

KEY QUESTIONS

- Does continuing the contractual arrangement for International Program with the Bellevue College Foundation support the college’s mission in supporting its international program?

ANALYSIS

The college continues to be overenrolled and cannot support International Student Program enrollments within the current state funded enrollment target. The existing contractual relationship with the Bellevue College Foundation supports the college’s international student program.

RECOMMENDATION/OUTCOMES

That the Board of Trustees of Community College District VIII reaffirms the contractual relationship with the Bellevue College Foundation for International Student Programs for fiscal year 2013-2014.
REGULAR MEETING AGENDA ITEM

2013 – 14 COLLEGE BUDGET

☐ INFORMATION ☐ FIRST READ ☒ ACTION

Description
The Bellevue College Operating, Enterprise and Ancillary, Associated Student Government, and Financial Aid Budgets for fiscal year 2013-14 are presented to the Board of Trustees for approval. The Capital Budgets for Biennial 2013-14 is still under legislative action and will be presented to the Board of Trustees for approval in a future meeting. To assist the board in approving the proposed budget, a comparison of the initial 2012-13 with the 2013-14 budget and Reserve Report including contingency fund, operating, ancillary and auxiliary reserve, debt reserves, and restricted funds is provided (Attachment #1). In addition the list of additional On-Going Obligations, One-Time Funding, and Self-Support Program funding is attached for reference (Attachment #2).

Key Questions
* What is the 2013-14 college’s budgetary plan for all funds?

Analysis
- Legislative action has not concluded, the FY14 budget was developed based on the following assumptions:
  * State Board (SBCTC) no tuition rate increase;
  * 3% temporary salary reduction $840,566 restored;
  * One-Time Reduction $430,007 restored;
  * 2% reduction in Enrollment

Background/Supplemental Information
- Attachment 1: 2013-14 College Budget and Reserve report.

Recommendation/Outcomes
It is recommended that the Board of Trustees of Community College District VIII approves the following budget plan for fiscal period 2013-2014.
Annual Budget

Operating Funds $ 80,997,927
Enterprise and Ancillary Funds $ 12,804,581
ASG Service and Activities Fees $ 3,020,651
Financial Aid Funds $ 23,580,500
Total 2013-14 Annual Budget $120,403,659

Reserve Funds

Contingency Fund $ 1,478,902
Operating Reserve $ 8,995,071
Ancillary & Auxiliary Reserve $ 2,373,785
Total 2013-14 Reserve Funds $ 12,847,758

Recommended Motion

I move that the Board of Trustees of Community College District VIII approves the college budget plan, as proposed, for fiscal period 2013-2014. In approving the budget, the Board of Trustees authorizes:

- the College President to proceed with the **execution of the planned program**;
- the College President to **transfer funds** within the General Fund, or from local and other funds, to eliminate any cash deficit as required by RCW 43.88.2601, to provide working capital, and to **support approved projects** and activities;
- the **tuition and fee schedule** as established by law, by the State Board for Community and Technical Colleges, as implemented by the College President, and as listed in the College catalog;
- the College President to **accept allocation amendments** from the State Board for Community and Technical Colleges, to accept such grants and contracts as may be acquired during the budget period, and to report on such changes, at least quarterly, to the Board of Trustees;
- the **addition of staff and faculty positions** necessary to carry out the College’s programs; and
- the College President to determine the **fee schedule for contract courses** and programs.

Description
Parent Education is a valued program at Bellevue College and is offered as part of the college’s mission to serve our community. In the past a mandatory 85 percent tuition waiver was provided to all parent education students who are simultaneously participating in cooperative preschool programs. This waiver was established and described in WAC 131-28-026 and was one of only three ungraded waiver courses where the waiver was set by the State Board rather than the colleges. Last year, however, the responsibility for establishing a parent education waiver was moved to the individual colleges.

At their May meeting 2012, the Board of Trustees granted a one year extension to allow time for a thorough study of the impacts associated with changing Bellevue’s Parent Education Waiver. This extension expires June 30, 2013.

Key Questions
- What is the appropriate amount for this waiver?
- What factors should influence the decision to set this waiver amount?
- How does the current waiver support the Bellevue College mission?

Analysis
An in-depth study of the Parent Ed waiver and its impacts has been conducted. The expected outcome is a recommendation for the ongoing administration of a waiver that will address access, eligibility, and an appropriate level of institutional support.

This waiver represents a community benefit that is subsidized by the college. The new ruling provides the local authority to determine both the nature and amount of subsidy the college will support moving forward. The following table illustrates Bellevue’s history of unrealized revenues.

* Because the college is in a status of excess enrollment, this program is not counted towards state enrollment targets; therefore, unrealized revenues are moderated by reduced payment of building fees to the state – roughly $70k.
Enrollment in Parent Education has been dropping over recent years as seen with full-time equivalent student (FTES) data below. While it is difficult to correlate the enrollment decrease to specific factors, increasing the cost, it is presumed, will not improve enrollments.

Background/Supplemental Information
Other colleges have not, or not significantly, changed their waiver policy for 2013-14. North Seattle Community College, the largest Parent Education program in the state, is maintaining the 85% waiver, as is Shoreline Community College; Edmonds Community College reduced the waiver minimally, from 85 to 83%.

The program is exploring strategies to diversify the populations it serves with the waiver, and the college is analyzing relative program subsidies.

Recommendation/Outcomes
That the Board of Trustees of Community College District VIII authorizes the college to maintain the current Parent Education waiver rate of 85% and adds the waiver to the list of standing waivers in Policy 2400 - Tuition and Fee Waivers.

REGULAR MEETING AGENDA ITEM

SERVICES AND ACTIVITIES FEE BUDGET

Description
In RCW 28B.15.044 the State of Washington grants authority to the Board of Trustees to approve the Associated Student Government’s Services and Activities (S & A) Budget. Further, it requires students to advance a budgetary recommendation for consideration by the Board of Trustees.

The S & A Budget is developed by a committee, comprised of four students, one administrator, one classified staff and a faculty representative. This year’s committee members are (asterisks denote voting members):

- Takhmina Dhzuraeva* - ASG President
- Giulia Balzola* - Student at Large
- Stephanie Rowe* - Student at Large
- Dustin Boehlke* - ASG VP of Finance (Chair)
- Jennifer Strother* - Administrative Services
- James Torrence* - Faculty
- Pamela Badger* - Classified Staff
- Faisal Jaswal – Assistant Dean Student Programs

The committee completed its deliberations and has prepared a recommendation for the 2013-2014 year that will be presented for final action at the June Board of Trustees meeting. Please find attached the approved S & A budget that was approved by the committee for your review.

Key Questions
- Is the services and activities fee budget proposal equitable and does it address the needs of student funded programs?
- How does the services and activities fee budget plan reflect a sustainable balanced budget?
- What are some key considerations/strategies to maintain the growth and continued integrity of the services and activities budget and the programs it supports?

ELECTION OF BOARD CHAIR AND VICE CHAIR

☐ INFORMATION  ☐ FIRST READ  ☒ ACTION

Description
The terms of the current chair and vice chair end on June 30, 2013. Bellevue College bylaws require that a new chair and vice chair be elected.

Key Questions
- Who shall serve as chair and vice chair of the Board of Trustees for the 2013-14 academic year?
- Will the board follow precedent?

Analysis
As per the Bellevue College bylaws for the Board of Trustees (WAC 132H-106-040), the board annually elects from its membership a chair and vice-chair to serve for the ensuing year. The precedent, based on an agreement made by the 2001 board was that a trustee beginning the last year of his/her term should be elected chair for the ensuing year and that the vice-chair should be the trustee who is in the penultimate year of his/her term. Based upon this agreement, the nominee would be Marie Gunn for the position of chair for 2013-14 and the nominee for vice-chair would be Lisa Chin.

Recommendation/Outcomes
That the Board of Trustees of Community College District VIII closes the nominations for the positions of chair and vice chair and elects Marie Gunn as Board Chair and Lisa Chin as Vice Chair for the period commencing July 1, 2013 and continuing until June 30, 2014.

SABBATICAL LEAVE AUTHORIZATION FOR THE 2013-14 ACADEMIC YEAR

Information □  First Read □  Action □

Description
The purpose of a Sabbatical Leave shall be to improve the professional skills of the faculty member through study, research, and creative work. The College will receive direct benefit of such an experience through the increasing effectiveness of those persons participating in a professional leave program.

Key Questions
- What is the final recommendation of the Sabbatical Leave Committee regarding sabbatical leave requests for the 2013-14 academic year?
- What is the President’s recommendation regarding the granting of sabbatical leaves for the 2013-14 academic year?
- What is the replacement cost for this recommendation?
- What is the Board of Trustees’ role in the sabbatical leave process?

Analysis
At the May 22, 2013 Board meeting, Board members were informed that the Sabbatical Leave Committee has received requests from seven (7) faculty for sabbatical leaves during the 2013-14 academic year. The total number of quarters requested was equivalent to 4.01 FTEF.

The Board of Trustees has committed, through the Negotiated Agreement, to make "every reasonable effort to grant at least 5 FTE leaves annually, provided that at least that number of applicants have applied and are ranked by the Sabbatical Leave Committee..." (Article IX, Section IV, C). The number of leaves granted is subject to fiscal and budget constraints and the calculation of potential cost of replacement.

The Sabbatical Leave Committee has ranked the seven requests and submitted its recommendation to the President. The President recommends that the Board of Trustees grant seven sabbatical leave requests equivalent to 4.01 FTEF, at the cost of $94,808.00 for the 2013-14 academic year.

Background/Supplemental Information
Sabbatical Leave Requests for 2013-14 Summary
Recommendation/Outcomes
That the Board of Trustees of Community College District VIII concurs with the recommendation of the President and authorizes sabbatical leaves equivalent to 4.01 FTEF, at the cost of $94,808 for the 2013-14 academic year.

SABBATICAL LEAVE REQUESTS 2013-14
SUMMARY

MICHAEL CULPEPPER, Arts and Humanities
Michael has requested a sabbatical leave equivalent to two quarters in which time he plans to establish a new multi-media method of interior design documentation, analysis and critique. Michael’s study of a singular interior of importance will be used throughout the INDES curriculum. His analysis will be an example of the multiplicity of ideas and thoughts that can be pursued in critiquing and exploring interiors. He plans to work with other colleges and universities and the analysis will be seen across the country.

WEIHONG GEIGER, Arts and Humanities
Weihong’s sabbatical leave request is the equivalent of two quarters, which she would use to complete her Ph.D. Her work is in comparative cultural studies focusing on international business behavior of China, Japan, and the United States. Weihong hopes to develop Chinese culture-related classes as well as language classes focused on the use of Chinese language in a business setting. She also plans to develop a study abroad program that will take BC students to Japan and bring Japanese professors and students to Bellevue.

CATHY LYLE, Science
Cathy is requesting a 1-quarter sabbatical leave to become proficient in ChemDraw, a powerful molecular modeling program for which the Science Division has recently purchased using Bellevue College Foundation funds. To be better prepared to create applications for beginning chemistry students that will help them learn more about the three dimensional nature of molecules, Cathy believes considerable time and focus will be required as the program has a steep learning curve.

STELLA ORECHIA, Health Sciences, Education, and Wellness Institute
Stella is requesting a one-quarter sabbatical. This is a continuation of the application that was approved by the Board of Trustees last year. Stella’s sabbatical leave plans include participation in a charity bike ride across America to benefit the International Rescue Committee (IRC) and Coalition of Refugees from Burma (CRB) for which she serves as a volunteer mentor. The sabbatical would culminate in a trip to a refugee camp in Thailand as well as a trip to Burma where she will volunteer for a grassroots human rights education and development organization. Stella will share what she learns with her students and present a slide show for the campus community.

MARY SLOWINSKI, Institute for Business and Information Technology
Mary is requesting a one-quarter sabbatical leave in order to complete and defend her dissertation in Learning Science (Education) at the University of Washington. Her work concentrates on the scaling up of innovations in the two-year college environment, in particular the successful institutionalization of a faulty professional development workshop called the Teaching Skills Workshop. Mary believes that the knowledge she gains and shares as a result of her studies will be of great benefit to the college.

LAWRENCE SUSANKA, Science
Larry is requesting sabbatical leave for three quarters in which time he plans to complete several projects. He would like to analyze data comparing BC classes to the online resource ALEKS; investigate the possibility of adding a Linear Analysis course to our math offerings; work with his Ph.D. thesis advisor in Minnesota to explore a topic in Probability and Potential Theory which would culminate in a paper; but foremost, Larry would like to develop a proposal to combine physics and calculus into a single course sequence that would offer 10 credits over three quarters to physics, engineering, and math majors.

LISA TEOESCHI, Health Sciences, Education, and Wellness Institute
Lisa is requesting a one-quarter Sabbatical Leave that will allow her to pursue her goal of becoming a credentialed Certified Nurse Educator, which she feels would further establish her as a leader in her profession and a role model to her students. Lisa also plans to write the Self-Study Report for Bellevue College’s new RN-BSN Program for accreditation by the Commission on Collegiate Nursing Education (CCNE), which is the “gold standard of every nursing program in the country.” Lisa feels that this work will contribute to Bellevue College’s mission of delivering high quality education, and provide future nursing students with the best chance for educational and professional opportunities.
TECHNOLOGY ACCESSIBILITY POLICY

Description
Bellevue College is committed to providing accessible technology services. In an effort to meet this commitment, all technology services are required to meet minimum requirements set forth by standards outlined by Section 508 standards of the Rehabilitation Act.

This policy begins to address the gap between physical accessibility and accessibility to technology services. Vendors will be required to demonstrate their compliance with Section 508 and its guidance for accessibility in electronic and information technology.

Key Questions
- Is Bellevue College obligated to provide access to technology as an accommodation?
- Will there be exceptions to this policy?

Analysis
This policy will proactively place Bellevue College as a leader in addressing the accessibility of technology services.
