Bellevue College Transfer Information

UNIVERSITY OF WASHINGTON-SEATTLE

Types of Majors
All majors at UW-Seattle fall into one of the following three categories:

Open Majors
If you are admitted to the university and select one of these majors on your application, you will automatically be placed into this major.

Minimum Requirements
These majors require a specific set of courses and/or a minimum GPA at the time of admission.

Competitive Majors
The application process for these majors is much more rigorous; they often require minimum requirements, test scores, an entrance portfolio, and/or interviews. Many of these majors have their own application deadlines that may be different from the general UW application.

Follow the link at the top of the page to view a list of majors and their types of admission.
