Concurrent Eligibility Agreement

This form is for international students with valid F-1 visa status. If you have a different visa type, please contact international admissions: oie@bellevuecollege.edu

You are applying for concurrent enrollment at Bellevue College.

Concurrent enrollment means:
- Your F-1 immigration record (SEVIS record) is held by another institution, not Bellevue College
- Your F-1 immigration record will **not** be transferred to Bellevue College

By applying for concurrent enrollment at Bellevue College, you agree to:
- Maintain your F-1 status at your current institution
- Follow the rules of your current institution regarding the number of credits you take at Bellevue College
- Ask your international advisor at your current institution should you have any questions about their rules for concurrent enrollment
- Follow Bellevue College’s registration rules: [http://www.bellevuecollege.edu/registration/](http://www.bellevuecollege.edu/registration/)
  If you need help, you can make an appointment with an OIE advisor in advance.
- Attend Bellevue College for the quarter you are admitted. To attend additional quarters or change to a future quarter, please contact international admissions.
- Maintain valid medical insurance coverage, as required by your current institution. To waive the insurance fee or get a refund, you must contact the OIE office no later than the first day of classes.

Students currently on OPT:
- Should not be enrolled full-time.
- Should be enrolled in less than 12 credits at Bellevue College.
