APA Style Citations

Citation Basics:

All citations will include this basic information:

Author. (Year). Title. Where it was published: Publisher.

- All references cited in the text should be listed alphabetically by author's last name.
- Pay close attention to the punctuation and layout—citations are picky!
- All lines, except the first line of each entry, are indented 5 spaces (one tab).
- The entries should be double spaced, with no extra space between sources.
