The Associate Degree in Nursing Program prepares graduates for beginning level clinical practice as Registered Nurses. Graduates are eligible to take the National Council Licensure Examination for Registered Nurses. The license to practice Registered Nursing in the state of Washington is granted by the Washington State Nursing Care Quality Assurance Commission. The curriculum is designed so that prerequisite and general education classes are completed prior to the ten quarters of nursing course work.

Steps for Obtaining Advising for the Nursing Program

Step 1: Read the information found on the website www.bellevuecollege.edu/nursing/ or printed admission guidelines.

Step 2: Attend one of the regular information sessions. During these sessions, the program and the admission process are reviewed. Individual questions can be answered at the end of the sessions. The scheduled times for these sessions can be obtained on the Bellevue College nursing website or by calling the program office at (425) 564-2012.

Step 3: You may seek individual advisement after you have reviewed this information and attended an information session. Appointments for advising may be made through the HSEWI office at (425) 564-2012.

2016-18 Admission Requirements

TEAS Score
(Valid Test Dates – From September 1, 2014 to September 1, 2015)
You must take Version V TEAS test. Other versions will not be accepted. A minimum score of 74 is required. TEAS must be completed within the valid test date period (9/1/14 – 9/1/15) and cannot be taken more than two times in the same period. If you took TEAS at other institutions, you need to request an official transcript through ATI (www.atitesting.com). A copy of your score report will NOT be accepted.

COMPASS E-Write Test Score
(Valid Test Dates – From September 1, 2014 to September 1, 2015)
A minimum score of 8 is required. You must take a COMPASS E-Write test during the valid test period (9/1/14 – 9/1/15). You only can take this test once in the same period.
