BC General Education requirements embedded in this degree are designed to address areas and specific requirements that ensure that students' learning experiences prepare them to build fulfilling and successful lives as individuals, workers, citizens, and life-long learners.

All courses for OLS-Venture are Pass/Fail. OLS uses a grading system that measures performance indicators directly related to 21st Century Skills and BC approved course outcomes. The student receives a final report with instructor's narrative of student's performance in the course. At least 70 % of the performance indicators and 70% of the course outcomes for each course are required to be met to receive a passing grade (P).
