Course	Course Title	Credits	College/University	Course	Credits	Grade	Quarter	Year
PROG 270	Introduction to Mobile Computing Technologies	5						
PROG 272	Implementing a Mobile Solution	5						
TOTAL		10						

Please complete this form prior to meeting with the Program Chair for signature. Completed form must be submitted to the Evaluations/Graduation Office when applying for graduation.

Program Chair: _____

Date: _____

DESCRIPTION

This is an advanced certificate designed for students who have knowledge of object oriented programming. The certificate introduces students to the world of mobile computing technologies and prepares them to design, develop, test and deploy mobile applications. Students are prepared for the increasing number of software development positions involving mobile applications.

Learning Outcomes

Certificate recipients should possess the skills and abilities described below:

- Compare and contrast current mobile computing technologies including various platforms and usability
- Describe the connectivity and security issues associated with mobile devices
- Use simple server services to provide application data
- Design, write, compile, debug and execute well-engineered and maintainable mobile programs using object oriented programming techniques

STAYING ON TRACK

Use Degree Audit to track your progress toward completion of this certificate at <http://bellevuecollege.edu/degreeaudit/>

Please refer to bellevuecollege.edu/programs/degrees/ for latest degree updates and further information.

GRADUATION APPLICATION

Students must apply for graduation. Submit your graduation application form prior to the end of the final quarter; there is no fee required for this certificate. Applications are available at http://bellevuecollege.edu/enrollment/graduation/apply/applications/Short_term_cert.pdf, and at the Enrollment and Registrar Services desk located in the Student Services building.

Submit application to Enrollment and Registrar Services on the first floor of the Student Services Building.
